Chase – your skills and abilities with processing reports in a timely manner is above Superior!

You have taken a process that would typically take 4+ hours to complete to an average of 1.5 hours, with a few reports under 30 minutes.

With the quick turnaround in processing reports, it is becoming the norm to flip reports from the field to the customer to under a 48-hour turnaround time.

Thank you for all your hard work and dedication – Thank you for working proficiently and accurately to ensure our clients receive their information in a timely manner.

We appreciate you!

A brief explanation of the above choice. What exceptional tasks or projects have you seen your hot shot do? (above and beyond the call of duty, to enhance our services, our success, save \$\$\$'s (and/or make Pathfinder look good too!!)?
